*I hope you will join us for our annual Institute for Educational Achievement Golf Classic to be held at The Hackensack Golf Club on Monday, August 8, 2011.*

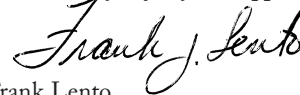

*The tournament benefits the Institute for Educational Achievement, a non-profit educational program for individuals with autism. Our educational mission includes:*

- individualized programming and curriculum
- one-to-one student/teaching staff ratio
- small group instruction and activities
- family support through home programming
- transitioning children into community schools
- intensive staff training and professional development

*The program provided to students at IEA is highly effective, but extremely expensive. As a result, we cannot rely solely on funding from sending school districts, but must depend on the support and generosity of individuals and corporations as well.*

*Your participation in our Annual Golf Classic ensures that IEA can continue to help our students achieve a wide variety of academic, social and life goals...goals that translate to fuller, happier, more independent lives.*

*Thank you for your support.*
